

Dear Parent/Guardian,

Everything is in place for an incredible camp experience for your student. Our goal is that every student has the opportunity to encounter Jesus, make new friends and strengthen existing friendships, experience the virtue of time spent in God's good creation, and have as much fun as possible! Please join us in prayer for all of our students as we prepare the way for God to move in life-changing ways.

In this packet you will find information regarding camp including:
